Subject: [HOWARD-CITIZEN] HCCA Working with Communities

All,

Just wanted to inform you that the HCCA has been very involved with the Albeth community in Marriottsville for the last 10 months to advise and assist these neighbors regarding a proposed development (Chapelgate) under the Community Enhancement Floating (CEF) zoning regulations. The Albeth residents consisting of 15 homes have major concerns that are being voiced to the Zoning Board (County Council). See the article in the Baltimore Sun -- <http://www.baltimoresun.com/news/maryland/howard/ellicott-city/ph-ho-cf-chapelgate-update-0917-20150911-story.html>.

As part of our Mission Statement -- "Orderly growth and development in the best interests of its residents and the environment" HCCA is committed to be involved in our communities.

Sincerely,

Stu Kohn

HCCA, President
