**Subject: HCCA Would Like Flashing Lights Around Stop Signs to be Illuminated**

Dear Council Members,

We, the Howard County Citizens Association, HCCA were very pleased that former Councilwoman Jen Terrasa acquired Stop Signs at intersections on Murray Hill and Guilford Road which were drastically needed. We would like your consideration to see that the Stop Signs located on Guilford Road could possibly be designed for better visibility. This is because the signs are not as close to the main thoroughfare especially southwest bound. By incorporating flashing lights around the circumference of the existing Signs would be much better served. If implemented the outcome could very well be to prevent accidents, injuries or even save lives. It would be a win-win for all your constituents and travelers on these roads.

Thank you for your consideration.

Sincerely,

Stu Kohn  
HCCA, President
