Subject: **HCCA Testimony CB68-2026**

Good evening. I am Stu Kohn from Scaggsville testifying on behalf of the Howard County Citizens Association, HCCA as its President.

We believe the proposed CB68-2026 is justified, but only if it is strengthened by ensuring violations are punishable otherwise the Bill is meaningless. To make this Bill meaningful refer to the following suggested amendments:

Page 2, line 7 - change the word “may” to “shall”

Page 2, lines 14 and 15 - please provide us with examples of potential sanctions and how they will be enforced and by whom?

Page 2, lines 19 - after the period add “and shall be posted on their part of the County website.”

If our questions are answered to our satisfaction and suggested edits are adopted, then we would be in **FAVOR** of CB68-2026.

Thank You,

Stu Kohn
HCCA President
